## Boonton Parks and Recreation and Boonton PTA

---

Dear Boonton School Families,

It is that time of year again! No not winter break....No not spring break....It's **TRICKY TRAY TIME!** If you are new to our school this year you're in for quite an event. Last year we had over 300 baskets and it was a night to remember!

In order for this year to be a success we will need your help. On the reverse side you will find the name of your child's teacher and a basket theme along with a few suggestions/ideas for that theme. We are asking that each child bring in an item for the class basket. If you do not want to purchase an item but still would like to help you may send in a monetary donation. The homeroom parent will use those monetary donations to help make the class basket.

We are asking that all **donations** be made by **FRIDAY MARCH 9, 2012.**

It is through team work that our largest fundraiser will be as big a success as it has been in the past. Boonton PTA has partnered this year with Boonton Parks and Recreation. Together it is our goal to **"Build a Better Boonton"**. It is our hope to raise funds for **playground equipment** for the new JHS school building. We will continue to fund cultural arts events, educational assemblies, year end field trip bussing and support school wide initiatives.

The Boonton Recreation Department continues to provide the community with many fun and diverse activities for all ages. Whether you enjoy the exercise classes, teen nights or camp, Boonton Recreation has something for everyone. It is our hope that through this fundraiser we will be able to repair existing playground equipment in our town parks and add new and exciting pieces.

Please support us in our efforts as we partner to.....

**"BUILD A BETTER BOONTON"**
