

## **Support for Families from the New Jersey Department of Education**

As parents or guardians, you want nothing more than an excellent education for your children. At the NJ Department of Education, we want nothing more than to help you achieve this!

We have created a family-focused website at [www.NJFamilies.com](http://www.NJFamilies.com) with resources to help you support your child's education and navigate your school system. We have also opened a "Help Desk" which can be reached through the parent menu option of our toll-free number: 877-900-6960.

Let's work together for the good of our children. Please sign up for our mailing list on our web site at <http://www.state.nj.us/education/>. We look forward to helping you help your children.
