

A Message From the Superintendent of Schools

April 3, 2009

Dear Boonton Schools' Community Member:

Recently, you may have read about a recall of pistachio nuts. Please be assured that the Boonton School District does not utilize any pistachio nuts in the district's lunch program. In addition, the supplier of the pistachio nuts recall, Setton Pistachio of Terra Bella, Inc. is not an approved supplier for Sodexo ~ our food service provider. If you have any questions or concerns, please feel free to e-mail me at Christine.johnson@boontonschools.org or call my office at 973-335-3994.

Sincerely,

Christine A. Johnson

Christine A. Johnson
Superintendent of Schools
