Dear Parent/Guardian,

The optional Chromebook protection program continues in 2024-2025 for students in grades 6-12 with a 1:1 device they take home. This program allows families to insure Chromebook devices that have been issued to students in lieu of being responsible for repair costs due to accidental damage. Participation costs \$25 per student per year, and the deadline to pay to participate in this optional program is Friday, October 11, 2024. Students who enroll mid-year will have 30 days in which to pay.

Please note several things about this optional insurance program:

1. This covers up to 2 repairs/replacements per school year for accidental damage.
2. Everyone is responsible for damage that is determined to be intentional.
3. Lost chargers are not covered; chargers may be replaced for \$25.

For families electing not to participate in this program – or in any case of intentional damage – the estimated fees are:

1. \$100 to replace a cracked screen
2. \$300 to replace the Chromebook
3. \$375 to replace a lost Chromebook with the case and charger

To participate in this program, please make payment at [PaySchoolsCentral.com](https://payschoolscentral.com). Or if you prefer to pay by check, please mail it to Boonton Public Schools, Attn: Business Office, 434 Lathrop Ave, Boonton NJ 07005.

Sincerely,

Steven Gardberg
Business Administrator/Board Secretary
