Extra-curricular program

Receiving multiple NJSIAA Sportsmanship Awards over the last several years, the athletic program at Boonton High School is very rich in tradition and steeped with pride. While participation in athletic and extracurricular programs is voluntary, involvement requires meeting all criteria of the NJSIAA (www.njsiaa.org) and a commitment on one's part with respect to academic standing, obligation, and compliance with the athletic code of conduct. These sports, programs, clubs, and activities not only allow students to work with their peers outside the classroom, but also provide opportunities in leadership, travel, and community involvement.
