Parent/Guardian of AP Students:

By engaging in an Advanced Placement course at Boonton High School, your child has participated in college-level instruction throughout this school year. AP classes provide an opportunity to engage with rigorous course materials, classroom discussions, and demanding assignments that prepare students for higher education. In addition, they will take the culminating AP exam this May.

The College Board sets the national test date and time for each subject area. This year, AP Exams will take place Monday, May 7th through Friday, May 18th. All students participating in an AP class will complete their exam on the same date outlined below.

Monday	Tuesday	Wednesday	Thursday	Friday
7 8am Chemistry 12pm Psychology	8 12pm Physics 1	9	10 8am US Govt and Politics	11 8:00 US History
14 8am Biology	15 8am Calculus 12pm French 12ppm Computer Science	16 8:00 English Language and Composition 12:00 Macroeconomics	17 12:00 Statistics	18

To register your child for one or more of the exams, please complete the attached registration form and return it to Mr. Forman, along with the proper payment **no later than Friday, March 2nd**.

Please take a moment read through the "Bulletin for AP Students and Parents" <https://secure-media.collegeboard.org/digitalServices/pdf/ap/2015-16-ap-bulletin-students-parents.pdf>. The bulletin shares details about test security, test day procedures, what items students are permitted to bring to testing and a checklist to help prepare.

In closing, we would like to recognize the exemplary effort your child has invested in taking an AP course this year. These courses are truly demanding and require your support and encouragement for a successful outcome. We are proud of our AP students and commend them for their effort.

Sincerely,

Edward Forman

Edward Forman
Vice Principal
