### **JOHN HILL SCHOOL**

#### **SAFE ROUTES TO SCHOOL IMPROVEMENTS**

On or about Friday, June 22, 2018, D&L Paving Contractors will mobilize to begin construction of pedestrian safety improvements at John Hill School, nearby intersections, and crosswalks. This work will occur in the following four (4) limited work areas on or about the tentative dates indicated, weather permitting.

1. **Monroe Street between Roosevelt Avenue and Reservoir Drive**
  - a. June 25 – July 3: Construction of concrete sidewalks and paving of rear student drop-off zone on north side of Monroe Street. Construction of concrete sidewalk, retaining wall and steps on school property.
  - b. July 9–10: Installation of striping, railings and fencing on school property.
2. **Intersection of Lathrop Avenue and Vreeland Avenue**
  - a. June 25–26: Construction of concrete sidewalks, ADA-accessible ramps and Belgium block curbs for crosswalk improvements.
  - b. July 9–10: Installation of crosswalk striping at intersection.
3. **Intersection of Lathrop Avenue and Washington Street / Main Street**
  - a. June 25–26: Construction of concrete sidewalks, ADA-accessible ramps, and concrete curbs for crosswalk improvements.
  - b. July 9–10: Installation of crosswalk striping at intersection.
4. **Lathrop Avenue at John Hill School Entrance**
  - a. June 25–26: Construction of concrete sidewalks, ADA-accessible ramps, and concrete curbs for crosswalk improvements.
  - b. July 9–10: Installation of crosswalk striping at intersection.
  - c. July 9–13: Installation of pedestrian crossing safety lighting and signage.

The week of July 9, D&L Paving will address site restoration, stabilization and clean-up of all work areas.

We apologize for any inconveniences to residents as a result of this construction. We appreciate your cooperation and support of this project to improve pedestrian access to John Hill School for the safety of all students and residents.
