SELF-PROFILE

The information on this form is requested to assist your counselor in writing an insightful recommendation—one that will provide an accurate portrait of you to colleges and jobs. This document will be held in confidence and will not be shared without your parent’s written permission.

The self-profile can also serve as a guide to be used by you when completing various college, vocational, and/or technical school applications.

In order to write a truly personal profile for your post high school recommendations, it is necessary to know things about you, which are unique and special. Please answer the questions below as honestly and as completely as you can. The more you write, the better the recommendation will be!

This information will not become part of your file and will be destroyed after you graduate.

Completion of this form is mandatory in order to get a counselor recommendation.

Please retain a copy for yourself and return the original to your school counselor.
