

KINDERGARTEN ENTRANCE REQUIREMENTS:

- **PHYSICAL EXAMINATION** – State statute 18A:40-4 requires all Kindergarten students to have a physical examination by a physician. Download the [Universal Child Health](#) Record and bring it to your physician.
- Your physician will complete this form upon the conclusion of your child's physical. **This physical examination and completed report must be submitted to the school prior to attendance in September.** If you already have a copy of your child's most recent physical, please bring it with you to registration.
- **IMMUNIZATION RECORD** - bring a copy of your child's immunization records consisting of dates of Primary Series and booster doses. **N.J.S.S.C. Chapter 14** requires that immunizations must be complete and up-to-date otherwise, the student may be excluded from school. [Download a copy of the Immunization Requirements](#). ****Please bring completed and signed immunization form with you to your in-person registration at your child's school.****

DPT - a minimum of **4** doses of DPT - one dose must have been administered on or after the **fourth birthday**.

Polio - a minimum of **3** doses of polio vaccine, provided at **least** one dose is given on or after the **fourth birthday**.

Measles - **2** doses given after the first birthday (preferably MMR)

Rubella - at least one dose (preferably MMR) given on or after the first birthday.

Mumps - at least one dose (preferably MMR) given on or after the first birthday.

Hepatitis B - **3** doses prior to entering kindergarten (**must meet minimum** dose spacing intervals).

Varicella - **1** dose after first birthday
