Superintendent of Schools

**MR. STEVEN GARDBERG**  
Business Administrator/Board Secretary

**FIELD AVAILABILITY**

Ladies and Gentlemen:

As you already know, our athletic fields are always in great demand. And, with the completion of our new athletic facility, this demand is even greater. Therefore, in order to help facilitate coordination between outside groups and our High School and Middle School sports programs since they have precedence over your events, you must adhere to the following:

1. ALL Facilities users MUST go to [www.nwjerseyac.com](http://www.nwjerseyac.com) – Boonton High School - to check field use status daily.
2. The High School Athletic Director will update this line daily and each weekend with the information on whether the fields are playable or not. If you call the line and find that your assigned field is not available, please DO NOT use the field as it presents a potential liability issue for the Board and it may ruin the field itself.
3. To coordinate with the High and Middle School sports programs, please check the Boonton District website to view our High School and Middle School sports schedules for the school year. The program can be accessed at [www.boontonschools.org](http://www.boontonschools.org). On the District website, users should click on the High School bar, then click Sports Schedules and Scores on the left menu.

I trust that these procedures will assist you with your program this year and thank you for your cooperation. Should you have any questions or concerns, please feel free to contact the High School athletic office at 973-335-9700, extension 4020.
